## 4 TIPS FOR PARENTS:

### UNDERSTAND APPLICATIONS AND SITES

Keep in mind your child's age and reason they want to engage on each app or site

### SET BOUNDARIES AND GUIDELINES

Have an open conversation with your child about the amount of time they spend on these sites and apps

### TEACH ABOUT INTERNET SAFETY AND BULLYING

Do not share personal information, adjust privacy settings, and who to go to for help online

### UNDERSTAND IMPLICATIONS OF ONLINE BEHAVIORS

Information cannot be removed once it is online
